

Applicants thank the Examiner for entering an Examiner's Amendment to amend the brief description of Figure 20 after page 7, line 14.

The Examiner states that the application is in condition for allowance except for failing to comply with the requirements of 37 C.F.R. §§ 1.821-1.825 as set forth on the Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures ("The Notice"). The Notice indicates that applicants must provide initial or substitute paper and computer readable form (CRF) copies of the Sequence Listing, as well as a statement that the content of the paper and CRF copies of the Sequence Listing are the same and do not include new matter.

Applicants have amended the specification to add a Sequence Listing and submit herewith paper and CRF copies of the Sequence Listing. Applicants also submit herewith a Statement to Support Filing and Submission in Accordance with 37 C.F.R. §§ 1.821-1.825.

Applicants additionally amended the specification to add sequence identifiers where appropriate. None of these amendments introduces new matter. Their entry is requested.

Applicants believe that the present application is now in condition for allowance. Favorable reconsideration of the application as amended is respectfully requested.

Respectfully submitted,

---
